We are proud to have a Heuer's Cafe in the community of Hallsville. We would like to thank you for your past support. With your continued support, it makes it possible for us to give back to the Hallsville community through various charitable groups, organizations and other benefits. Burger night, MADD (mothers against drunk driving), American Cancer Society (Hallsville teachers), and the Senior all night party are just a few examples of how Heuer's Cafe supports the local community . Undoubtedly, any of the mentioned above has had some impact on everyone in the Hallsville community. We look forward to serving the community of Hallsville and its residents for years to come.

Thank you,
Jamie Heuer
